Shipping: shipped on blue ice
Storage Conditions: store at -20 °C
Additional Storage Conditions: store dry and under inert gas
Shelf Life: 12 months
Molecular Formula: C_{47}H_{55}N_{4}O_{8}P
Molecular Weight: 834.94 g/mol
CAS#: 938186-76-6
Purity: > 99.5 %
Form: off-white powder

Structural formula of C8-Alkyne-dU-CEP
